

Ms. Whyte's Class News

November 9th-13th

1. **Monday** – *What Happened?* – Identify what happened in each picture. Cut out and glue the type of weather that occurred in each picture.
2. **Wednesday** – *Fluff and Puff Counting*– Cut out the combs at the bottom of the paper. Count how many are in each square. Glue the combs to match the same number of brushes above.

***Homework will not be collected until Thursday each**

Reminders:

- ❖ Wednesday and Thursday are early release days due to scheduled parent conferences. Please arrive on time for your conference as we have a limited time to meet and discuss your child.
- ❖ There will be a half-day on Wednesday, November 25th.
- ❖ There will be NO SCHOOL on Thursday, November 26th & Friday, November 27th.

Sneak Peak:

- ❖ We will continue our study about weather by focusing this week on the seasons and the water cycle. We will read both fiction and non-fiction stories, relate them to our experiences, and use the pictures to help us gain meaning.
- ❖ We will be adding the words “to” and “we” to our word wall.
- ❖ We will differentiate between questions and statements and practice using question marks.
- ❖ In math we are learning to identify, count, write the numbers 0-31. We will learn to compare numbers and identify which has more and less.

Word Wall Words:

a, am, and, here, I, is, like, on, see,
the, to, will, we.

Please practice these at home. Your child should be able to read and write each of these words.

Announcements:

As the weather gets colder, please make sure your child wears appropriate clothing and you write your child's name in all of their belongings (coats, scarves, gloves, etc.).
